

That Certain Something!

The S35 is a basic phone without disturbing gadgets. That certain something, the included cradle makes charging easy and comfortable. The rubberized surface gives a good touch, which gives the S35 a pleasant handling. The well thought out phone features, such as extra-large buttons, a high-contrast TFT display, or extra loud ringtone, supports the users at the best possible rate. The integrated SOS emergency button on the S35 provides more security in everyday life. When pressed, the S35 automatically sends an emergency SMS. At the same time an further emergency call will be forwarded to 5 predefined numbers.
